

Technical Data Sheet

contact@mc-chemie.com

Product	MC TPPT
Product Description	<ul style="list-style-type: none"> • MC TPPT is an organo-thiophosphate • Free flowing white flakes
Packaging Size	20 kg net bags on pallets at 500 kg
Shelf Life	2 years (storage below 30° C)
Use and Application	<ul style="list-style-type: none"> • Ashless anti-wear additive for lubricants, greases and hydraulic fluids, engine lubricants • FDA/USA approved for lubricants with incidental food contact
Typical treat level	0.2 – 1.0% (<0,5% wt/wt for HX1 applications)
Benefits	<ul style="list-style-type: none"> • Excellent thermal stability • No corrosion on yellow metals • Low odor
REACH Status	01-2119979545-21-XXXX
NSF HX1 Status	registered
Kosher / Hallal Status	registered
All registration numbers and certificates can be provided upon request
